PROJECTS

3D Artist / Senior Project — *The Clock that Forgot to Chime*

JULY 2024 – MAY 2026

Philadelphia, PA

- Collaborated with multidisciplinary team to produce five-minute 3D animated short film
- Modeled, textured, and surfaced environments and production assets
- Established cohesive visual style through look development
- Worked within production deadlines while iterating on assets from feedback

EXPERIENCE

Animated Typography Specialist Intern — *StoryMate*

OCTOBER 2024 - FEBRUARY 2025

Wellington, New Zealand

- Worked as team member to design, develop, and research additions
- Designed wireframes for user interactivity
- Collaborated with founder on look development
- Developed mockups for new features

Digital Product + Graphic Design/Marketing Intern — *MilkCrate*

SEPTEMBER 2023 – MARCH 2024

Philadelphia, PA

- Worked as team member to design, market, and implement personalized mobile apps for nonprofits
- Designed wireframes for nonprofit app development
- Updated and implemented apps in web databases
- Developed new design standards for apps

3D Generalist Intern — *Matrioshka Games*

SEPTEMBER 2022 – MARCH 2023

Philadelphia, PA

- Created new game assets from environment objects to hero props
- Modified existing assets to create additional variations, e.g., turning a blacksmith into a doctor through mesh editing and resurfacing
- Developed visual look off mood board
- Worked on tight production timeline to implement and optimize assets

Drexel Student Ambassador — *Drexel University*

APRIL 2022 – JUNE 2026

Philadelphia, PA

- Conducted campus tours for prospective students and families; conveyed Drexel history; and represented Drexel to the community
- Staffed front desk in Drexel's Visitor Center
- Awarded 2023 student ambassador of the year from field of 50+
